Join us for an agility fun day. The first hour we will be guided by an instructor/coach, so please make sure you arrive on time. The second hour will be free play. The facility is located at the intersection of HWY 212 and Sunnyside Rd. Drive to the back building, which is barn-type with a dirt floor (not used for horses). **There is no charge for WVSF members; nonmembers will be charged \$5 for each dog.** Hope to see you there!
